To Whom It May Concern

MrPebbeti Yasesvi Reddy served as the Head Student Coordinator of Institution of Engineering India for the Department of Information Technology, Matrusri Engineering College during the academic year 2023-2024. The duties involved with his tole were planning and conducting technical events for inter-college students for the concerned department, dividing the responsibilities within the team and executing the plan to make all arrangements from organizing technical quizzes, and assessments, organizing interactive seminars with industry professionals and conducting of workshops, to the valedictory of the event, these events were conducted 4 times in every academic year. He always motivated and supported his peer team in reaching their goals of the organization. Mr.Yasesvi Reddy is keen and serious in every task he takes up and performs it with full dedication in the activities conducted by the club.

Sincerely

Professor and Head

Dr. Gunda Shyama Chandra Prasad

Head of the Department  
Information Technology  
Matrusri Engineering College
